On Sunday November 27th 2011 the Master, Peter Faulkner, Past Master Tom Copas (liaison officer) and the Clerk visited the Westminster Dragoons on Longmoor Training Area for the final of the Inter Troop Competition. The winning Troop was Command Troop. Also present was the Honorary Colonel of the Westminster Dragoons, Lieutenant General Sir Andrew Ridgway KBE CB (late Royal Tank Regiment). The first photograph shows the Master and the Hon Col after signing the Illuminated Address, produced for us by the College of Arms, which formally records the Affiliation. The other shows the Master presenting the Worshipful Company of Farmers Plate to Sgt Andy Dady of Command Troop.
